

RADIATION SAFETY PROGRAM

INTRODUCTION

This chapter outlines the Fermilab Radiation Safety Program. The program is fully detailed and implemented in the Fermilab Radiological Control Manual (formerly known as the Fermilab Radiation Guide). The Fermilab Radiological Control Manual is therefore considered part of this ES&H Manual and is available on the ES&H Section web page at http://www-esh.fnal.gov/pls/default/esh_home_page.page?this_page=900.
